4 DECEMBER 2024

European Parliament, Brussels

Room 3H1, 15:00-17:30

[REGISTER HERE](#)

The third edition of European Energy Efficiency Day takes place on 4 December 2024 at the European Parliament. This high-level conference will bring together leading policymakers, business players and civil society organisations. The event is a unique platform to discuss energy efficiency as cost-effective solution for increasing European competitiveness and energy security and reducing energy prices for citizens.
